

NORTH BAY FIRST DAYS' CHECKLIST

Settling into a new city can be, at times, overwhelming. This checklist will help you identify and prioritize the resources and needs prior to and arriving in the [City of North Bay](#):

PRIOR TO YOUR ARRIVAL

- Check the Immigration, Refugees and Citizenship Canada (IRCC) website for all important documents required prior to moving to Canada – www.cic.gc.ca
- Have all your **essential documents**:
 - A Canadian Immigrant Visa (if applicable) and a Confirmation of Permanent Residence for each family member travelling with you.
 - A valid passport or other travel document for each family member travelling with you.
 - Two copies of a detailed list of all goods (personal and/or household items) you intend to bring into Canada as settler's effects (showing the value, make, model and serial number if the item has one). Divide the list into two sections: the goods you are bringing with you and the goods to follow.
 - Two copies of a list of items that are arriving later and their monetary value.

Do not pack these documents in your luggage. Keep them with you at all times.

- Research and secure temporary housing for your first few nights in North Bay (as needed).
- Improve your language skills in at least one of Canada's official languages: English and/or French.
- Research the weather trends and seasons. Depending on the season that you will be arriving, pack appropriate clothing.
